MARINE DIVISION -- INTERNATIONAL LONGSHORE & WAREHOUSE UNION  
NATIONAL OFFICE • 1711 W NICKERSON ST, SUITE D • SEATTLE, WA 98119 • (206) 284-6001 • FAX (206) 284 5043

Attention IBU members,

After careful consideration and interviews of the candidates for the Governor's race with the vote of the majority E Board we join with the other two maritime Union MMP and MEBA to support and endorse Sen. Mark Begich for Governor.

Our union in Alaska has too much to lose with this Public corporation model pushed by the SE conference, in which this current administration supports. On the other hand, Mark Begich feels that the current problems can be fixed in house, he stated that "The Alaska Marine Highway System should not be treated like second class citizens." His administration would best serve our collective interests with a proactive and progressive impact, felt immediately.

We would appreciate your individual support and your positive influence with your own family, friends and networks to speak up and to vote.

We respect everyone's viewpoints and welcome your comments and as Union officials we are reaching out to seek mutual understanding from both sides of the isle and do what is best for you as members.

Please consider carefully as I have, with our IBU's best interest in mind.

In Solidarity,

Trina Arnold  
Regional Director IBU-PAK
