PREAMBLE

This Agreement is made and entered into by and between the City of Unalaska, Alaska, for its Port Department operation, hereinafter referred to as the “Employer” or the “City” and the Inland Boatmen’s Union of the Pacific, Alaska Region, hereinafter referred to as the “Union.” The purpose of this Agreement is to set forth the understanding reached between the Parties with respect to wages, hours of work and conditions of employment.

The City and the Union agree to promote harmonious and cooperative relations between the City and employees covered by this Agreement.

ARTICLE 1 - PURPOSE OF THIS AGREEMENT

The purpose of this Agreement is to set forth the understanding reached between the parties with respect to wages, hours of work and conditions of employment. The intent of this Agreement is to prevent strikes and lockouts, to stabilize conditions in work in the area affected by this Agreement, to prevent avoidable delays and expense, and generally to encourage a spirit of helpful cooperation between and the Employer and the employee group to their mutual advantage.

ARTICLE 2 – RECOGNITION

The City hereby recognizes, during the term of this Agreement, the Union as the sole and exclusive bargaining representative for the Port Department employees performing work covered by the classifications set forth in this Agreement.

ARTICLE 3 - UNION SECURITY

3.1 It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the date this Agreement is executed shall remain members in good standing, and those who are not members on the date this Agreement is executed shall, on the thirty-first (31st) day following the date this Agreement is executed, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after the date this Agreement is executed shall, on the thirty-first (31st) day following the beginning of such employment become and remain members in good standing in the Union. “Good standing,” as used in this Article, shall mean that the employee has paid or offered to pay the uniform initiation fees and regular monthly dues uniformly required for membership in the Union.

3.2 The dismissal of any employee for failure to comply with the provisions of this Article shall be on written notice from the Union to the Employer and employee, setting forth the reason for the delinquent status and allowing five (5) consecutive work days or seven (7) calendar days, whichever is shorter, from receipt of such notice to bring their membership into good standing.

3.3 The Union agrees to hold the Employer harmless from any liability whatsoever that might ensue as a result of actions taken to enforce this Article.

ARTICLE 4 - CHECK-OFF OF UNION DUES AND INITIATION FEES

4.1 The Employer agrees to deduct from the wages of employees who voluntarily request in writing on a legal form provided by the Union, fees uniformly required pursuant to the provisions of Article 3.

4.2 The total amount of such deductions shall be transmitted at least once a month by the Employer to the Local Union by check drawn to the order of the Local Union. In conjunction with transmitting deductions to the Union, the Employer agrees to provide a complete list of employees upon whose behalf deductions were made, and the amount deducted by employee.

4.3 Upon the issue of such check and transmission of same to the Union, all responsibility on the part of the Employer shall cease with respect to any amount so deducted, providing the deduction is in accordance with the Union dues requirement which the Union shall furnish to the Employer. The Union hereby undertakes to indemnify and hold harmless the Employer from any claim that may be made upon it for or on account of any such deduction from the wages of any employee.

ARTICLE 5 - NONDISCRIMINATION

There shall be no discrimination because of Union membership or lack thereof, race, color, religion, sex, age, national origin, physical handicap, marital status, changes in marital status, pregnancy or parenthood in accordance with current statutes. Where the masculine or feminine gender is used in this Agreement it is used solely for the purpose of illustration and shall not be construed to indicate the gender of any employee or job applicant.

ARTICLE 6 - MANAGEMENT'S RIGHTS

The Employer retains the right to manage the affairs of the City and to direct its work force. Unless otherwise specifically provided in this Agreement, nothing shall limit the Employer in the exercise of rights of management. The City reserves all rights granted to it by the Alaska Public Employment Relations Act, unless such right has been clearly and unmistakably waived by an express provision of this Agreement.

ARTICLE 7 - MEMBERSHIP RIGHTS

7.1 The Union assumes all obligations and responsibility for the continued membership of their members and the collection of their dues. The Union shall retain the right to discipline its members at all times. No employee shall be discriminated against for the upholding of union principles or for serving on a committee and he shall not lose his position or be discriminated against for this reason.

7.2 The Employer agrees that it will not attempt to interfere between any of its employees and the Union and that it will not restrain any employee from belonging to the Union or from taking an active part in Union affairs, and it will not discriminate against any employee because of his or her Union membership or lawful Union activity.

ARTICLE 8 - DISCIPLINARY ACTIONS

The Employer retains the right to discipline and/or discharge an employee for just cause. Just cause includes, but is not limited to, offenses such as drunkenness on the job, theft, fighting, assault of employee or supervisor, insubordination, gross disobedience, absence of an employee for three (3) consecutive working days without approval, and habitual absenteeism. The Employer agrees to notify the designated Union representative in writing of the reason for such discipline and/or discharge. In administering discipline, up to and including discharge, the Employer shall ordinarily follow the principles of progressive discipline utilizing the following measures:

- | | |
|---------------------------|-------------------|
| 1 st Offense - | Verbal reprimand |
| 2 nd Offense - | Written reprimand |
| 3 rd Offense - | Suspension |
| 4 th Offense - | Termination |

It is recognized that the level of discipline needed depends upon a variety of circumstances including the nature and severity of the offense. Therefore, when the employee's misconduct is of a serious nature the Employer may invoke the progressive step that is applicable. Prior disciplinary action shall not be considered if it is remote in time from the present offense. If a prior offense is unrelated to the present problem it will not be considered unless the employee has had repeated disciplinary problems. If the Union fails to grieve any disciplinary actions within fourteen (14) calendar days of the receipt of the notification by the Union, the Union's right to grieve or arbitrate such action is forfeited. This article does not apply to probationary employees. The City may discharge probationary employees for any reason at any time.

ARTICLE 9 -SHOP STEWARD, GRIEVANCE PROCEDURE AND ARBITRATION

9.1 The Union will notify the Employer in writing of the name of its authorized shop steward(s). The employer will not be held responsible for recognizing and/or using any steward so designated until the Employer has received written notice that the individual no longer serves in the capacity of shop steward, nor for refusing to recognize and/or use any shop steward whose name has not been provided in writing to the employer.

9.2 A grievance is defined as any disagreement between the City and the Union involving the interpretation or application of this agreement.

9.3 It is the intent of this grievance procedure to settle all disputes or complaints at the lowest level possible. The City and the Union will make every reasonable effort to informally resolve the grievance. The procedure for the resolution of grievances is hereby provided. When a situation arises which becomes a basis for a grievance, the employee, the Union, and the City will make every effort possible to informally resolve the grievance. In the event that the problem cannot be thereby resolved, the grievance shall be reduced to writing within fourteen (14) calendar days of the time that the employee or the Union knew or should have known of the alleged violation and the following procedure will be used. The grievance must be submitted on the approved Union grievance form and signed by the authorized shop steward.

Step 1: The written grievance shall be distributed to both the appropriate director and the responsible supervisor. The Employer shall have fourteen (14) calendar days from receipt of the written grievance to respond to the Union with a written decision.

Step 2: Upon receipt of a denial of the grievance, the Union shall have fourteen (14) calendar days in which to notify the City Manager in writing that the grievance is unresolved. If notification is given, then the Union and the City Manager shall meet within fourteen (14) calendar days of that notice.

Step 3: In the event that the grievance is not resolved in Step 2, the Union shall within fourteen (14) calendar days provide a written request for arbitration to the City.

9.4 If a timely request for arbitration is tendered, the Union and the City Manager shall exchange lists of not more than seven (7) names of suggested arbitrators, and shall within fourteen (14) calendar days agree on a mutually acceptable arbitrator. If no agreement can be reached within fourteen (14) calendar days, the parties shall select an arbitrator by the striking method from a list of arbitrators supplied to the parties by the American Arbitration Association. The arbitrator shall be selected within fourteen (14)

calendar days from receipt of the list. The order for striking shall be determined by a toss of the coin. The Union representative shall toss the coin and the management representative shall call out his choice. Arbitration shall commence as soon as is reasonably possible following the appointment of the arbitrator.

9.5 The arbitrator shall conduct a hearing according to generally accepted standards and procedures for grievance arbitration. The arbitrator shall have no authority to add to, alter, delete, or modify any provision of this Agreement or issue any award on a matter not raised in the grievance filed by the Union. The decision of the arbitrator shall be final and binding on the parties. In the application of this Article, "calendar days" shall exclude recognized City holidays. Nothing in this section shall be construed to prevent settlement of a grievance by mutual agreement of the parties at any time. The expenses of the arbitrator shall be borne by the non-prevailing party. This Article does not apply to probationary or temporary employees. All grievances and arbitration cases pending at the time of execution of this Agreement shall be subject to all conditions of this grievance procedure, including time constraints.

9.6 At each step, the time requirements may be extended by mutual agreement in writing. Failure of either party to follow the time limits herein shall allow the other party to proceed to the next step, if they so choose.

ARTICLE 10 - TENURE & SENIORITY

10.1 Seniority is defined as the length of service as an employee in the Port Department. For the purpose of fringe benefits, an employee's hire date with the City will apply.

Employee seniority shall be terminated by the following conditions:

10.11 the employee is discharged for just cause;

10.12 the employee quits;

10.13 failure to return from a leave of absence or vacation on agreed date unless approval has been obtained from the Department Director. Should a bona fide emergency occur and prior approval cannot be obtained, it shall be the responsibility of the employee to submit evidence that such emergency occurred. The employee must in any case, notify the Employer within two (2) working days of such emergency, and the expected duration of the absence.

10.14 the employee fails to report to work within fifteen (15) days after being recalled in accordance with the provisions of Article 12: Layoff and Recall;
or

10.15 is on layoff for a continuous period of twelve (12) months.

10.2 All things considered equal, an employee's seniority will be the determining factor in promotions. In all cases, promotions shall be made at the discretion of the Port Director.

ARTICLE 11 - PROBATIONARY PERIOD AND POSITION STATUS

11.1 The probationary period for employees shall be the first six (6) months of employment. The rating officer may be the employee's immediate supervisor but any evaluation shall be subject to review and approval by the Port Director. If no evaluation is performed, performance is deemed to be satisfactory.

11.2 During the 6-month initial probationary period employees are precluded from grieving any disciplinary action, including termination.

11.3 Temporary employment assignments shall not extend beyond 120 days. No benefits or access to the grievance procedure are available to temporary employees. Should the Employer determine a need to continue an individual in a temporary employment assignment beyond 120 days, written agreement from the Union shall be required.

ARTICLE 12 - LAYOFF & RECALL

12.1 When the Employer determines the need for a decrease in the work force, employees shall be laid off in the reverse order of seniority, provided the senior employees have the ability and qualifications to perform the required work.

12.2 An employee who is on layoff status will continue to have recall rights for a period of twelve (12) months following the date of layoff. It shall be the responsibility of each employee who is laid off to notify the Employer immediately of any change of address and/or telephone number.

12.3 When the Employer determines the need for an increase in the work force, it shall recall employees on layoff status in the order of their seniority, provided the senior employees have the ability and qualifications to perform the required work.

12.4 A regular full-time employee shall be given in writing a four-week notice prior to layoff. If for any reason this is not possible, four (4) weeks' severance pay in lieu of notice shall be given to the employee.

12.5 Regular part-time employees who are members in good standing are subject to recall as outlined above.

ARTICLE 13 - TRAVEL ALLOWANCE

Upon completion of twelve (12) consecutive months of service and once during each anniversary year thereafter, regular full-time employees shall receive a travel allowance in the amount of no less than \$1,500. Travel allowance for a regular part-time employee shall be computed at a proportion of an equivalent full-time position. The proportion shall be computed by dividing the number of actual hours in pay status, excluding overtime, in the previous year of a part-time position by the normal work hours of an equivalent full-time position. If the status of a regular part-time employee changes to regular full-time within the anniversary year, the employee will receive a travel allowance in proportion to an equivalent full-time position. The same equation used for determining the travel allowance for regular part-time employees will be used.

ARTICLE 14 - LEAVE

14.1 Personal Leave Accrual Rates

- A.** Regular full-time employees who began employment with the City after March 25, 2003 shall accrue personal leave commencing with their first date of employment in a non-temporary position at the following rates:
- (1) First and second years of service beginning on the date of hire and ending on the date before the second anniversary date: 16 hours per month.
 - (2) Third and fourth years of service beginning on the second anniversary date and ending on the date before the fourth anniversary date: 20 hours per month.
 - (3) Fifth and sixth years of service beginning on the fourth anniversary date and ending on the date before the sixth anniversary date: 24 hours per month.
 - (4) Seventh and eighth years of service beginning on the sixth anniversary date and ending on the date before the eighth anniversary date: 28 hours per month.
 - (5) Ninth year of service beginning on the eighth anniversary date and ending on the date of separation from City services: 32 hours per month.
- B.** If an employee's accrued personal leave exceeds 768 hours on December 15, personal leave in excess of 768 hours shall be cashed out and included in the employee's paycheck for the pay period ending December 15. Employees will not lose leave or stop accruing leave under this process. This payment for unused personal leave in excess of 768 hours does not affect the twice-yearly leave cash-out provisions outlined in Article 14.1K.

- C.** Personal leave accrual while employee is on paid leave: Personal leave continues to accrue during the period of time an employee is on paid leave. Personal leave does not accrue during the time an employee is on leave without pay.
- D.** Computation of personal leave accrual for regular part-time employees: Regular part-time employees shall accrue personal leave at the same rate as a regular full-time employee, except that personal leave shall be computed on the proportion of actual hours worked to the number of normal duty hours in a pay period of a full-time employee.
- E.** Personal leave accrual does not apply to temporary employees: Employees hired by temporary appointment shall not accrue personal leave.
- F.** Use of personal leave for sick leave purposes: Accrued personal leave may be used when the employee is sick or injured both during and after the employee's probationary period. Any absence on personal leave for sick leave purposes may be required to be certified by a licensed medical professional.
- G.** An employee may receive donated leave from another City Employee provided the receiving employee is seriously ill or injured, or has an immediate family member who is seriously ill or injured, or is attending to a death in his or her immediate family or is eligible for Family and Medical Leave under State or Federal laws or is under the care of a physician and has exhausted all personal leave. An employee may also receive donated leave from another City employee when the employee's absence from duty is necessary for Union business. Personal leave which is being donated under this Section shall be donated at the donating employee's current rate of pay and converted into hours at the receiving employee's rate of pay and added to the receiving employees personal leave bank. The donated personal leave shall be subject to all taxation and contributions required of all payroll compensation and shall be borne by the employee to whom the personal leave is being donated. Any unused donated leave will remain with the recipient.
- H.** Use of personal leave for purposes other than sick leave: An employee may use accrued personal leave for purposes other than sick leave only upon successful completion of the probationary period; however, an employee may be granted early personal leave benefits for purposes other than sick leave due to extraordinary circumstances, as determined by the Port Director and approved by the City Manager. The employee has the right to use accrued personal leave for purposes other than sick leave, but he or she does not have the right to determine when personal leave may be

used for those purposes. Regular employees shall be allowed to use any amount of accrued leave for non-sick leave purposes at any time desired that will not be detrimental to department operations, as determined by the Port Director. The longer the period of leave requested for non-sick leave purposes, the longer should be the advance notice to enable scheduling.

- I.** Amount of personal leave that must be taken annually: At least eighty (80) hours of leave must be used after the first complete calendar year worked and every calendar year thereafter. However, when in the opinion of the Port Director it is not feasible nor in the best interest of the City to grant leave to an employee, the annual personal leave use requirement shall be temporarily suspended in such cases.
- J.** Personal leave cash-in: An employee may cash in personal leave two times per fiscal year, provided that the employee shall retain at least eighty (80) hours of leave in his or her account. Cash in lieu of personal leave shall be subject to all taxation and contributions required of all payroll compensation.
- K.** Recognized holiday during personal leave period: A recognized holiday occurring when an employee is on personal leave status shall be counted as a holiday.
- L.** Personal leave payment upon termination: Upon termination, accrued personal leave shall be paid in a lump sum to all employees with twelve (12) months of continuous employment with the City. The hourly rate to be used in computing the cash payment shall be the rate paid to the employee on the date that the separation notice is given to the employee or the effective date of resignation notice. Cash in lieu of personal leave shall be subject to all taxation and contributions required of all payroll compensation.

14.2 Leave Without Pay

- A.** Leave without pay may be granted to an employee upon recommendation of the Port Director and approval of the City Manager. Each request for such leave shall be considered in light of the circumstances involved and the needs of the Port Department. Leave without pay shall not be requested nor granted until such time as all accrued personal leave and floating holidays have been exhausted, except when an employee is absent and drawing workers' compensation pay. Usually not more than ten (10) days of leave without pay may be granted for personal reasons.
- B.** Leave without pay for education purposes: Leave without pay may be authorized to include time to complete formal undergraduate or advanced degree requirements. Employees who have demonstrated above average

performance with the City for a minimum of two years shall be considered for such leave, providing the work situation permits a temporary absence without serious effect upon the department's schedule of activities. A maximum of one year of college work, or equivalent thereof, may be granted in such cases. No benefits shall accrue while on this type of leave without pay.

- C. Benefits do not accrue while on leave without pay, except insurance which will continue through the first month of leave without pay beyond the end of the calendar month in which leave without pay status began.
- D. Change of anniversary date because of leave without pay: If an employee uses more than ten (10) calendar days total leave without pay during an anniversary year, his or her anniversary and length of service dates shall be advanced by the number of days such leave without pay exceeds ten.

14.3 Unauthorized Leave

Any absence not authorized and approved in accordance with the provisions of this Agreement and City policies shall be without pay for the period of absence and may be grounds for disciplinary action.

14.4 Military Leave

Employees shall be granted military leave consistent with applicable law.

14.5 Disability Leave

Any employee who suffers a non-occupational disability shall be entitled to use accrued leave. Once the employee has exhausted all paid and unpaid leave to which he or she is entitled, including family leave as provided for in Article 14.7 of this Agreement, the employee shall be entitled to an additional ten (10) days of authorized leave. If the employee is still disabled after the additional ten (10) days of authorized leave, the leave may be extended up to an additional thirty (30) days. The City may require certification from a physician that the employee's condition prohibits return to work.

14.6 Workers' Compensation Leave

Employees shall be granted workers' compensation leave to the extent required by the Alaska Workers' Compensation Act.

14.7 Family Leave

Family and Medical leave shall be granted in accordance with appropriate Federal and/or State regulations and laws, and as determined by City of Unalaska policy.

14.8 Death in Immediate Family

- A.** Paid bereavement leave not to exceed seven days may be used upon the death of members of the immediate family of the employee, or circumstances regarding memorial services or burial arrangements. Bereavement leave will not be deducted from the chargeable leave account.
- B.** Immediate family member, for the purpose of this Section, shall be defined as follows: the employee's spouse, child, father, mother, brother, sister, father-in-law, mother-in-law, grandparent, grandchild, stepchild and domestic partner. It also means other family members who reside permanently with the Employee.
- C.** Recognizing that the make-up of some families do not conform with the standard definition above, an employee may provide the Employer, upon time of hire, with the names of individuals who acted in a parental capacity in lieu of the parents. The Employer shall provide forms for the recording of "immediate family" members for each covered employee, to be placed in his or her personnel file to document the full extent of each employee's "immediate family."

14.9 Jury Leave:

- A.** Jury duty: Jury duty shall be treated as jury leave, without loss of seniority, personal leave or pay. In order to be entitled to jury leave, the employee shall provide the Port Director with written proof of the requirement of his/her presence for the hours claimed and a copy will be attached to the timesheet jury duty leave was recorded. Fees paid by the court, other than travel and subsistence allowances, while the employee is on jury leave shall be turned in for deposit to the City's Accounts Receivable Division no later than thirty (30) days after completion of jury duty. An employee who works the first or fourth shift shall be transferred to the day shift for pay purposes for the tour of service. If an employee is discharged from service before the workday ends, the employee must report immediately to the Employer for work.
- B.** Witness service: Service in court when subpoenaed as a witness on behalf of the City, or when called by the City as an expert on a matter of City concern or relating to a municipal function, will be treated the same as jury duty. Witness service for purpose other than just described will be covered by personal leave or leave without pay, and any fees received in this connection may be retained by the employee.

ARTICLE 15 - RECOGNIZED CITY HOLIDAYS

15.1 Holidays: The following holidays shall be recognized as holidays with pay for all regular employees who are in pay status the day before and the day after such day:

New Year's Day
Martin Luther King Day – Third Monday in January

Veteran's Day – November 11

15.2 Floating Holidays: Regular employees are entitled to three days per year of holiday leave in addition to the recognized City holidays in Section 15.1. It is understood that this leave replaces Lincoln's Birthday, February 12; Seward's Day, the last Monday in March; and Alaska Day, October 18. Regular employees in pay status on both the day before and the day after those days, who work on those days, are eligible to use holiday leave. This leave may be used by the employee with the approval of the Port Director, but it does not accrue beyond December 31 of any calendar year, nor is it included in cash in provisions.

If the day in lieu of the holiday is worked, pay shall be computed as overtime and paid at the applicable rate.

ARTICLE 16 - EDUCATION TRAINING EXPENSE

Educational Expense Refund

- A. The City recognizes that advanced education and training is of mutual benefit to the employee and the City. Employees shall be granted tuition reimbursement for education and training for course work that is considered to be of mutual benefit to the employee and the City, consistent with the City Ordinance established Education Reimbursement Policy.
- B. The City agrees to offer job-related employee training at least once per year. There shall be no cost to the employee for these training programs.
- C. Should an employee be required to attend a class due to a job requirement, or by the Port Director, the employee will be paid for the actual time spent in the class at the employee’s current rate of pay.
